Bristow--

In terms of your questions from this morning: 1) Loreen suggests we put the typical requirements for risk management in the draft contract. If Sapphire has strong objections we may alter later; 2) Sapphire ownership of the data is fine with us; and 3) the contact for invoices, contract amendments, etc. will be Raymond Lau. Please let me know if there's any other information I can provide.

Dear all:

Attached is a contract that Robin Kinser has requested. Please review and provide me with your comments so that I can finalize it for Robin to forward to Sapphire. (Kevin - your copy for comments/review is in your basket)
